

Technical drawing of a mechanical assembly. The drawing shows a vertical plate (3) with a thickness of  $t1.2$  and a height of 55. A horizontal plate (5) with a thickness of  $t1.2$  is attached to the bottom of the vertical plate. A diagonal plate (4) with a thickness of  $t1.2$  is attached to the side of the horizontal plate. A circular feature (5) is located at the bottom of the vertical plate, with a diameter of 20. The drawing includes dimension lines and callouts for each part.
