

Technical drawing of a mechanical assembly. The drawing shows a vertical plate (3) with a thickness of $t1.2$ and a height of 55. A horizontal plate (1) with a thickness of $t0.8$ is attached to the bottom of the vertical plate. A diagonal plate (4) is attached to the bottom of the vertical plate. A circular feature (5) is located at the bottom of the vertical plate. Two asterisks (*) indicate specific points on the assembly. The horizontal distance from the vertical centerline to the center of the circular feature (5) is 20.
