

Fig. 1 is a technical drawing of a mechanical assembly, likely a bracket or a support structure, shown in a cross-sectional view. The drawing includes the following details:

- Dimensions:**
  - A horizontal dimension of 20 is indicated at the bottom.
  - A vertical dimension of 55 is indicated on the right side.
  - A thickness dimension of  $t1.2$  is indicated at the top right.
- Labels and Callouts:**
  - Label 1 points to the main horizontal base.
  - Label 3 points to the vertical flange.
  - Label 4 points to a diagonal reinforcement plate.
  - Label 5 points to a circular feature, possibly a hole or a fastener.
- Assembly Details:**
  - Two asterisks (\*) are placed near the junction of the diagonal plate and the main body, indicating specific assembly points or welds.
  - The drawing shows a cross-section of the assembly, with hatching used to differentiate the components.
