

Technical drawing of a mechanical assembly. The drawing shows a base plate (1) with a vertical flange (4) and a horizontal flange (5). A diagonal member (2) is attached to the base plate via a pin joint (3). The dimensions are: 20 (horizontal distance from the base plate to the vertical flange), 55 (height of the vertical flange), and t1.2 (thickness of the base plate and flanges). The diagonal member (2) has a thickness of t1.2. The pin joint (3) is indicated by two asterisks (*).
